This certificate issued to

Aerospace Solutions Group, LLC
7000 Airport Drive, #204
Sellersburg, IN 47172

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified herein meets the airworthiness requirements of Part 27 of the Federal Aviation Regulations. (See Type Certificate Data Sheet HICE for complete certification basis.)

Original Product Type Certificate Number:

HICE

Make:

The Enstrom Helicopter Corporation

Model:

480 and 480B

Description of Type Design Change:

Installation of provisions for external equipment in accordance with St. Louis Helicopter Master Drawing List 404-002-MDL, Revision 1, FAA approved June 11, 2014, or later FAA approved revision.

Limitations and Conditions:

1. A copy of this certificate must be maintained as part of the permanent records for the modified aircraft.
2. Compatibility of this design change with previously approved modifications must be determined by the installer.
3. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.
4. STC makes provisions for an external mount surrogate payload structure installation for carrying equipment in Enstrom 480 & 480B Helicopters but does not include approval of the equipment. The FAA has not certified the equipment for which these provisions are intended. You must get additional FAA approval to install this equipment. The FAA must evaluate the installation to ensure it complies with the applicable airworthiness standards.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.
