Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SR03403CH

This certificate issued to

Aerospace Solutions Group, LLC
7000 Airport Drive, #204
Sellersburg, IN 47172

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified herein meets the airworthiness requirements of Part 27 of the Federal Aviation Regulations. (See Type Certificate Data Sheet H11NM for complete certification basis)

Original Product Type Certificate Number:

H11NM

Make:

Robinson Helicopter Company

Model:

R44 and R44 II

Description of Type Design Change:

Installation of universal internal mount for electrical equipment provisions in accordance with St. Louis Helicopter Master Drawing List 310-002-MDL, Revision 2, dated November 17, 2014, or later FAA approved revision.

Limitations and Conditions:

1. A copy of this certificate must be maintained as part of the permanent records for the modified aircraft.
2. Compatibility of this design change with previously approved modifications must be determined by the installer.
3. If the holder agrees to permit another person to use this certificate to alter the product, the holder must give the other person written evidence of that permission.
4. FAA approved Rotorcraft Flight Manual Supplement, St. Louis Helicopter Document No. 310-023RFMS, Rev: 0, approved November 25, 2014, or later FAA approved revision, is required on board the modified aircraft.
5. STC makes provisions for internal electrical equipment but does not include approval of the equipment. The FAA has not certified the equipment for which these provisions are intended. You must get additional FAA approval to install this equipment.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: July 11, 2014

Date issued: January 11, 2018

Date of issuance: November 25, 2014

Date amended:

By direction of the Administrator:
